## Merchants No Longer Need Report Sales Tax to Village Clerk

### Board Amends Law; Extends Daylight Saving Time to Oct. 30

Antioch merchants will not need to report to the village the amount of sales and the village tax therefrom as the result of action taken Tuesday evening by the village board in amending the tax law.

The portion requiring the report was eliminated by ordinance.

The original ordinance was furnished by the Illinois Municipal League and Antioch did as other villages passed it without noticing all of the requirements. The report to the village is not necessary in view of the fact that the money in first paid into the state treasury where it is recorded and then returned to the villages.

The village board in other action decided to extend daylight saving time until Oct. 30. Chicago started this plan and cities in the area did likewise.

The report of Treasurer Martha Hunter shows that Antioch receives around \$600 a month from motor fuel tax money. The amount received this summer was May, \$588.73; June 608.88; July 681.66; and August \$583.92. This is credited to the village in the state treasury and paid out on approval for local highway improvements.

The board instructed Building Commissioner Walter I. Scott to issue a building permit to William Hattendorf for a house on what will be known as lot 17 on Cheri dr. in the subdivision has not yet been accepted, the property was given a meets and bounds description.

Increase of an office building to be constructed next to the Antioch theatre from a one story to a two story structure so that an apartment may be included on the second floor is contemplated, the board was informed. Blue-prints are to be provided before the permit is granted.

## Lawrence Doolittle, 74, Former Antioch Twp. Resident, Sheriff, Dies

Lawrence A. Doolittle, 74, a native of Antioch township, and a former Lake county sheriff, died Saturday in Victory Memorial hospital after an illness of several months.

The funeral service was held at 2 p. m. yesterday at the Marsh Funeral home in Waukegan with the Rev. Claiborne Johnson of the First Baptist church officiating. Burial was in the Northshore Garden of Memories.

Mr. Doolittle had made his home with his daughter, Mrs. Charlotte Leaf, wife of County Clerk Garfield Leaf, 629 Judge ave., in Waukegan.

Born March 29, 1881 in Antioch township, Mr. Doolittle served the county as sheriff from 1926 to 1930 and 1934 to 1938. Between these terms he operated a service station and afterward a resort in Birchwood, Wis.

Besides the daughter, Mr. Doolittle is survived by a son, Donald; a brother, Frederick; and two sisters, Mrs. Bert Tompkins and Mrs. William Green, all of Waukegan.

## Oakwood Knolls Man Asks Village Board For Aid in Getting Job

Benjamin Munsinger of Oakwood Knolls, formerly of Chicago, likes his new home and the Antioch community, but he would like it better if he could find something to do. This he told members of the village board Tuesday evening in urging that the trustees bring more industry to Antioch to supply jobs for people who move out from the city.

The real estate men led us to believe that we were in an industrial area, but we not only have no industry to speak of but no transportation to get to industry," said Munsinger.

Mayor James McMillen said that the board does not undertake to find jobs for new residents, but that it is seeking new industry and has land and utilities to offer.

"We as individuals will do all we can to help you," he assured Munsinger.

"My family and I like it so well out here that we wouldn't move back to Chicago for anything in the world," Munsinger said. He is a retired office worker with time on his hands.

**May Lay 6-Inch Main**  
Mrs. Nelson Drom has been granted the privilege of causing a 6-inch water main to be laid on Dwight st. at her own expense, but the project must be under the supervision of the village, the village board recently decided.

## Building Permits Total \$102,500 During Aug.

Building permits having a total valuation of \$102,500 were issued in Antioch during August, records of Clerk Clarence Shultis show.

Ten new residences having a total building valuation of \$70,791 and a new addition to the Illinois Bell Telephone Co., office valued at \$18,500 were the major items in the report.

Additional total were six private garages, \$9,800, and alterations to residences, \$3,400.

Footings for the telephone office addition were poured Tuesday.

August was one of the big months in construction in Antioch the report shows.

## Deputy Charles Larson Badly Hurt When Auto Overturns in Car Chase

### Charge of Reckless Driving Against Waterman May Be Changed

**Bulletin**

State's Atty. Robert C. Nelson has authorized a charge of assault with a deadly weapon against Lewis H. Waterman, 18, who was accused of attempting to run down Herbert Horton Saturday evening.

Waterman was freed on bond after first being charged with reckless driving.

Deputy Sheriff Charles E. (Chuck) Larson of North ave., Antioch, was badly hurt Saturday night when his car was wrecked while he was chasing a traffic offender.

He suffered a broken nose and the loss of two teeth. Other teeth were loosened by the force of the blow he received when his car turned over near Trevor, Wis.

Facing charges is Lewis H. Waterman, 18, residing north of Antioch, whom Larson was chasing.

Larson began the chase after Waterman reportedly sped past Herbert Horton, volunteer patrolman, as Horton tried to stop him from speeding on North ave., in Antioch.

Horton was afoot and had to leap from the road to escape being struck by Waterman's car, the report of the sheriff's police said.

Larson chased the youth at high speed along Main st., going north, and at Second and Main sts. Waterman's 1951 model Plymouth struck a stop sign but kept going.

Near Trevor Larson was said to have been blinded by dust from the fleeing car and drove his own car off the road, turning it over. The deputy walked back onto the road and was picked up by another driver participating in the chase and taken to Victory Memorial hospital.

Antioch police, deputy sheriffs and state police joined in the search for Waterman and soon spotted him on Rte. 59 and arrested him for reckless driving, taking him to the Lake county jail where he later was given his release. More serious charges were studied.

Waterman denied any connection with the incident, but William Weir, 18, Petite lake, and George Shannon, rural Trevor, said they were in the car with Waterman and had gone to Wisconsin for some beer and then returned to Antioch for speeds along North ave.

Shannon said that at one time he demanded to be let out of the car while Waterman drove across the Soo Line tracks on North ave. at 70 miles an hour, but later got back in the car.

Both youths said Waterman knew a policeman was chasing him, but that he refused to stop. He let them out after Larson's car rolled over.

The Chicago Motor club warns not to pass on hills or curves. Your traffic "sight-distance" is lowered on hills and curves and you can never tell what is immediately ahead of you. You're safe crossing the center line on a hill or curve.

## Tax Payments Up \$66,949.59 in Antioch Twp. Collector Horan Reveals; Total \$484,544.04

A total of \$484,544.04 was collected in taxes in Antioch township by Collector John L. Horan at the deadline last Thursday.

This was \$66,949.59 in excess of the same period in 1954 when \$417,594.45 was collected.

The total on the tax books was \$759,429.73 which means that \$274,885.69 is yet to be paid to the county treasurer.

Collector Horan said that there had been only one formal protest this year. He said that several had

## Emmons School Able To Get Three Rooms Instead of Just Two

A three-room addition with an all-purpose room semi-basement will be possible instead of the originally planned two room and basement if the \$70,000 bond issue is passed on Sept. 24, in Emmons School District, Atty. Ted Larson, representing the board of education said.

"When we got down to exact figures we discovered we should get more for our money than we originally estimated," said Larson. That the additional room no doubt will be needed within a comparatively short time is realized by the board.

When Emmons district votes at the school building on Beach Grove rd. at Rte. 59, the voters will be confronted by three proposals. The first is whether the board shall build the addition; second, whether a \$70,000 bond issue for the construction of an addition to the present building is approved or not; and third, whether there shall be a \$5,000 bond issue for purchase of additional ground for the addition and playground.

The project has the approval of the Lake County Civic League which investigated the needs and proposed expenditure. Should approval be given, the board will advertise for bids on the bonds, and then bids on construction.

## Scrimmages Bring Out Squad Weaknesses at Antioch High School

Scrimmages by the varsity football team of Antioch High School are in progress as Coach Paul Kessenich attempts to train and condition his squad for the first game to be played here Sept. 17 with Wilmet.

"They were the typical scrimmages," commented Kessenich on the first two scrimmages last Thursday and Saturday which revealed missed assignments and poor blocking.

He has begun to place his men in positions which may or may not be permanent according to their showing. Jerry Huml and Frank Walsh are making a good showing at end, as are Bill Layton at halfback and Don Schroeder at fullback.

Al Reckers is quarterbacking and Bill Barnstable is at halfback. Co-captains Harvey Strametz and Jerry Meyers are at the guard positions, and Bob Terry and Richard Vlk at the tackle posts.

Others that will see play are Sid Parker at end, David Mitchell and Fred Lebert at tackle, Don Swanson at quarterback, Charles Behrendt, Ronnie Christian, and Dick Sroch.

"They've got to sharpen up and show a lot more spirit than they are now to win their games, although some of them are progressing nicely," said Coach Kessenich.

## Mixed League Bowlers Organize Sunday Night

There will be a meeting of mixed league bowlers (both men and women) at 8 p. m. Sunday at the Antioch Recreation.

The organization meeting will be held for those who have signed up and for others who wish to sign up as couples, individuals, or teams.

Following the meeting, according to present plans, there will be a social bowling party or sweepstakes as desired. Mixed bowling will be on Sundays from 8:45 to 10:30 p. m.

Salem, Wis.—Principal A. H. Erickson of Central High School announced today that 115 students are enrolled in a Driver Education course. It is planned to start instruction in the classroom about September 12. Instruction will be given by Clifford Peterson.

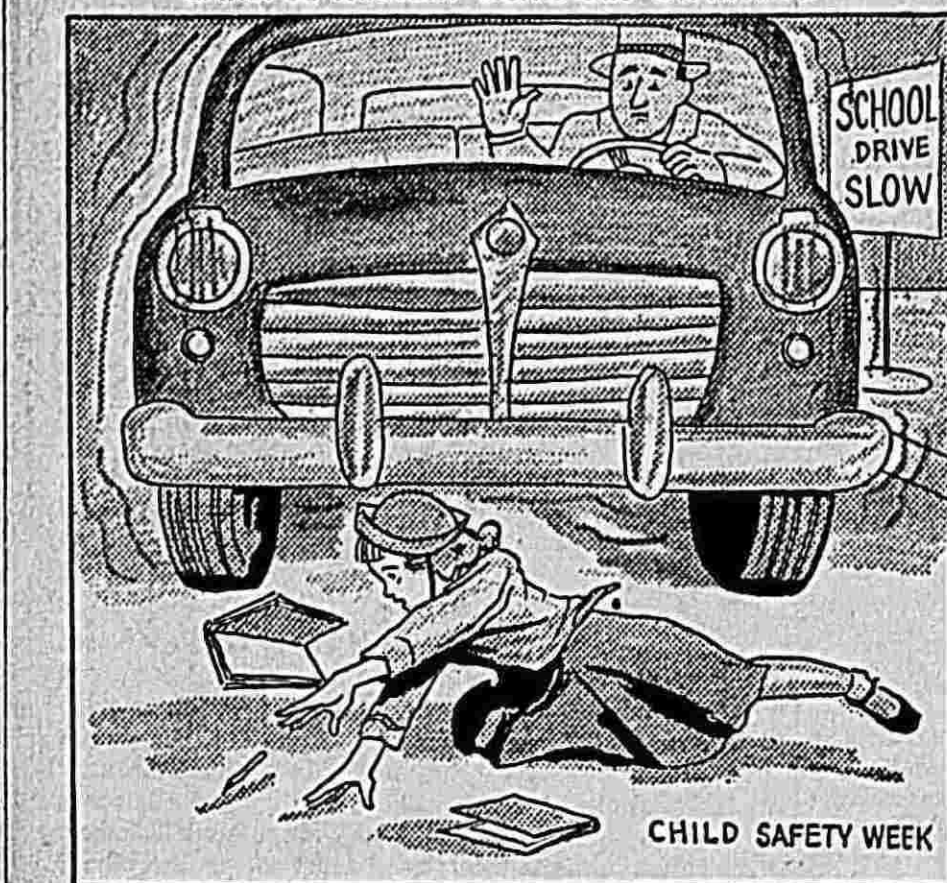

When these students have satisfactorily completed the classroom instruction they will be permitted further instruction in practice driving in a dual control car.

## Water Rate Not Set

The village has been selling water to a Wisconsin corporation, identified as Benjamin and Lang (which also is the name of a Chicago bond house) since July, but no rate has yet been established.

The first reading of the meter at the state line will be some time this month and then the board will decide on a rate. It will be a case of the Wisconsin corporation accepting the price or doing without the water, a member of the board said. The board in July voted 5 to 1 to sell the water outside the village limits.

## CAREFUL MISTER! SCHOOLS STARTING

## Frank J. Holt, 74, Channel L. Inn Keeper Dies At Downey Hosp.

Frank Holt, Sr., 74, Channel Lake, Antioch, died Wednesday at Downey Veterans hospital after a lingering illness. Mr. Holt was born October 5, 1880 at Peru, Ind. He came to Chicago and was employed as a bank guard for many years before coming to Antioch in 1934.

He operated Dad's Shady Inn at Channel Lake. He was a member of St. Peter's church and was a veteran of the Spanish-American War.

Survivors are his wife, Della, a son, Frank J. of McHenry, a brother, Charles R. Holt of Elmhurst, and three grandchildren, William and James Holt and Mrs. Dorothy Laursen, all of Antioch. A son, William J. preceded him in death in January 1955.

Funeral services will be held at 10 a. m. Saturday at St. Peter's church. Interment will be in Mt. Carmel cemetery.

Friends may call at the Strang Funeral home after seven p. m. tonight (Thursday).

## Accident Insurance Offered by A.T.H.S. Students Pay Premium

Antioch Township High School students will again have the opportunity to be covered by accident insurance this year, according to Principal Albert Dittman.

The accident insurance program is a voluntary one and the students who choose to be insured are protected against accidents while engaged in regularly supervised school activities.

Athletes are given special protection by additional coverage. The athletic phase of insurance program is paid for from the Athletic fund.

The regular student premium is paid by the student on the opening day of school. The premium is added to the registration fees.

Dittman said that the plan is a low cost accident insurance program and is not intended to give complete coverage. Sometimes accidents of a serious nature occur. In these cases the expense submitted by the doctor or hospital may exceed the indemnity allowed by the insurance company. When this is the case the school does not assume the remainder of the expense.

While the school has no legal obligation in case of accident, the school district and the school board feel that some student accident coverage should be made available if a student wishes to pay the premium.

A complete description of the insurance program has been sent through the mail to all parents of boys participating in football. The non-athletic pupils have also been given information this past week and have been asked to take the materials home. Parents are urged to read the information carefully to gain a better knowledge of the insurance program.

## Water Rate Not Set

The village has been selling water to a Wisconsin corporation, identified as Benjamin and Lang (which also is the name of a Chicago bond house) since July, but no rate has yet been established.

The first reading of the meter at the state line will be some time this month and then the board will decide on a rate. It will be a case of the Wisconsin corporation accepting the price or doing without the water, a member of the board said. The board in July voted 5 to 1 to sell the water outside the village limits.

## Mr. and Mrs. Vernon Rogers Injured in Car Accident Friday

### Couple Is Hospitalized at Stevens Point, Wis.

Mr. and Mrs. Vernon Rogers of route 173, Antioch, are in St. Michael's hospital, Stevens Point, Wis., as a result of an automobile accident at 1:30 p. m. Friday Sept. 2 at the junction of rtes. 51 and 54, near Plover, Wis., south of Stevens Point.

The Rogers' were enroute to their summer home at Cable, Wis., for a long weekend stay when the accident happened. The other car involved in the crash was driven by residents of Iowa who were traveling east on route 54. It is alleged that the Iowa car failed to make the required stop at rte. 51.

The Rogers' were severely injured and were rushed to the hospital where they will remain for several weeks before being allowed to return home. Their car, a 1955 Buick Roadmaster, was a total loss.

Mr. Rogers is thought to have suffered a skull fracture, and Mrs. Rogers has several broken ribs, a fractured arm and other injuries. Neither of them are allowed visitors.

## U. S. Agriculture Dept. Suspend 70c Additional Charge per 100 Lbs. Milk

Chicago, Sept. 2—Emergency action by the U. S. Department of Agriculture temporarily suspended a 70-cent additional charge for every 100 pounds of milk sold out of the Chicago area. The suspension became effective Sept. 1.

This action was made as the result of testimony given by the Pure Milk association and other dairy cooperatives which serve the Chicago market and by the Chicago Milk dealers. The testimony was made at a public hearing held in Chicago Aug. 24.

The effect of the emergency action will allow more Chicagoland milk to be bottled instead of being diverted into manufacturing channels. This will tend to increase the price paid to farmers for milk.

The 70-cent premium would have become effective by the operation of the Chicago Federal Milk Marketing order. In June a large part of the milk production in the Chicago area was consumed by Chicagoland people. While there was still a surplus of milk in June, the rate of consumption indicated that by October or November milk might be in short supply in the area.

A further recommendation to the U. S. Department of Agriculture was made at the hearing and so far has received no action. The dairy cooperatives and the milk dealers asked for a revision in the Federal Marketing order to allow sales of milk out of the Chicago area on week-ends without additional charge when the 70-cent provision is in effect.

In times of milk shortage in Chicago the records of the Milk Market Administrator show that there is extra milk available on Fridays and Saturdays.

## Thankful for Traffic Sign

The village trustees received a thank-you note from Mrs. Marie Delaney Tuesday evening commending them for placing a sign "Slow — Children" at David and Lake sts. controlling traffic. "There are 21 children on David st. between Lake and Orchard sts.," she wrote stressing the need for safety in traffic.

## Enrollments Increase In All Local Schools As Pupils Register

### High School May Reach Its Capacity in Next Two or Three Years

Antioch schools opened this week and as was expected all enrollments have increased.

The high school has an enrollment of 473 and Supt. A. L. Dittman believes that the number will increase to 485 within the next 10 days.

The freshman class is the largest with 142 students. There are 127 sophomores, but only 101 juniors in contrast to 103 seniors. Last year the enrollment was 435 in September.

The Antioch grade school has 612 pupils in contrast to 597 last May. St. Peter's parochial school which opened yesterday instead of Tuesday, has an enrollment of 387 in contrast to 340 last year. Mrs. Harry Greenlee will be the school's first lay teacher.

The first few days of school are devoted to getting books and assignments. By next week the classes will have become stabilized and studies will become routine.

On the basis of the enlarged on-coming classes it is expected that in the next two years the capacity of the high school will be reached. Grass Lake has an enrollment of 104, an increase of 20, and Channel Lake school has 133 pupils, an increase of 10.

## Telephone Building Here Being Enlarged; Will Be Doubled in Use by Dec.

Better telephone service for Antioch subscribers seems assured this week with beginning of construction of an addition to the present building at 966 Victoria st. Work was begun this week by the Pepper construction company of Chicago.

J. M. Littler, telephone company manager, said that the size of the building would be doubled to allow installation of three more sections of switchboard, enlargement of operators' work and rest quarters and the addition of a conference room. The new section will be of brick construction similar to the present building, he explained.

"This will help us to meet the problems of a facility shortage which limited space has forced on us," Littler said. "We'll now be able to better cope with Antioch's growing population trend."

He said that the building addition would be completed in November and that the new switchboard and associated outside equipment would be put into use about December.

Illinois Bell has been leasing the property from H. C. Hughes of Woodstock, but are purchasing both land and building, Littler announced.

He said the Pepper company was the lowest of several bidders and had done building additions for the company in Lake Villa and Grayslake.

## L. C. Niederhelman, 44 Dies After Brief Illness

Louis C. Niederhelman, 44, died at the Veterans' hospital, 820 S. Damen, of a heart ailment Tuesday, following a brief illness. He was born Dec. 27, 1910 at Cincinnati, Ohio.

For many years he made his home in Los Angeles, Calif., before moving to Chicago in 1946. For the past two years he had made his home in Antioch. He was a boiler-maker by trade, working for the Delta Boiler Company in Chicago.

Survivors are his wife, Verne, and three half-sisters.

Funeral services will be held Friday in Cincinnati.

## Long Lake Soldier Receives Orders for Far East Command

Pfc. Mitchell H. Stanton, son of Mr. and Mrs. G. W. Joedicke of Long Lake has received orders to report to Fort Lewis, Wash., on October 16, where he will leave for duty in the Far East. Pfc. Stanton has been stationed at William Beaumont Army hospital, El Paso, Texas, for the past five months where he has served as the assistant to the Catholic and Protestant chaplains. Stanton entered the army last August after completing basic training at Camp Chaffee, Ark. Stanton took medical training at Fort Sam Houston, Texas before going to El Paso. Pfc. Stanton is a graduate of Grant Community High school and also attended Spring Hill College, Mobile, Ala., before entering the armed services.

The Chicago Motor club says allow at least 20 feet of highway space between your car and the one ahead for each 10 m. p. h. of speed.

### Economic Highlights

Much has been heard of the problems involved in attracting doctors to the smaller towns. All kinds of remedies have been proposed. Inevitably, such discussions frequently have engendered more heat than light. With modern means of transportation and communication at our disposal, it is no longer necessary to have a doctor located right at hand.

At the same time, there are towns which need a doctor, yet haven't one. And there are towns which have shown how, by intelligent local initiative and action, the problem can be solved.

The August issue of Town Journal (formerly Pathfinder) carries a meaty little article on the subject, written by Clyde Hostetter. It tells of the enormous change for the better that has taken place in Kansas since 1949. At that time something like 100 Kansas towns lacked doctors and there was a hospital shortage to boot. Today the state is first in the nation for rural health care. According to Mr. Hostetter, "Practically every family is less than 45 minutes from a Grade-A hospital. Every town needing a doctor has one or more."

To find out just how this came about in so short a period of time, Mr. Hostetter went to Kiowa, population 1,581, which in 1949 had the unenviable distinction of being the biggest town in Kansas without a doctor—and it hadn't had one for 10 years. Now it has three. He talked to local people and got the story.

The driving force was the young dean of the Kansas University medical school, who had learned that two-thirds of each year's graduates left the state, while most of the rest went into practice with older doctors in the larger Kansas cities. The dean diagnosed four ailments responsible for this, and proposed concrete cures. First, the new doctors were generally in debt after nine years of advanced schooling and couldn't afford the \$5,000-\$10,000 it takes to set up office nowadays. The cure was for the town to establish a modern clinic and rent or sell it on terms to the doctor. Second, there weren't enough hospitals near small towns, which means that patients needing hospitalization had to be sent far away. The cure was to build more hospitals—and good ones, even if small. Third, young doctors didn't like being isolated from medical conventions and other means of keeping up with the times. The cure was

to bring new knowledge to them, with "flying squads" of experts. Fourth and last, not enough new doctors were being trained. Here the cure was to expand the medical school to train 50 per cent more doctors and nurses.

The dean's advice was taken. The legislators voted \$4,000,000 to expand the school. The towns did their part. Kiowa, which is typical, erected an \$83,000 six-bed hospital containing a two-doctor clinic with the very best equipment. Young doctors were enthusiastic. Two of them now rent the office for \$50 a month and run the hospital, under a local board of directors. A third doctor, a woman, has opened other offices with her dentist husband. All are busy, and local people get the best of care.

The "flying squads" of medical lecturers, all top men in their fields, give monthly circuit courses in eight Kansas towns, at least one of which is within an hour's drive of any Kansas doctor's office. The medical school has inaugurated a system whereby each student must spend six weeks with an established doctor in a Kansas town of less than 1,500 population before receiving his M. D. The school turns out 115 new doctors each year and 70 per cent of them stay in Kansas.

This is what one state and its communities have done on their own volition to solve an important problem. Mr. Hostetter says that detailed information can be obtained from Council on Medical Service, American Medical Association, 535 North Dearborn Street, Chicago 10, Ill., or from state medical associations.

### The Low Down From Hickory Grove

I see where in old Hoosier-land that the rugged folks there who believe as do the New Hampshire boys—"live free or die" are going into the court house to see how come they are being shoved around. In Indianapolis a suit has been filed challenging the legality of the union shop provision that 200 men there must join the CIO by August 26 or lose their jobs. And over in Detroit 18,000 have been likewise notified to sign up or take the risk of out they go, too.

When the question gets a Court airing, we will get an idea as to how free is this land of the free and the home of the brave—and who can say you do or you do not work, except your ownself.

And Congress being home until next January, the law is the law until then—pro or con—unless there is some hupus capus status quo and stuff. But Congress being now home is a good thing in one way for the U. S. Treasury. Congress can't dip in for more do-re-mi when not in session—for more Govt. owned buildings and venturesome ventures into business it has no business in—into further Socialism for short. We are not as far from Socialism as we think—if we do, think. End of lecture and seminar. Class dismissed.

Yours with the low down,

JO SERRA

## LAKE VILLA

Millburn Chapter O. E. S. will serve a ham dinner on Sunday, Sept. 11, at the Masonic temple from 12 noon until all are served. Mrs. Marie Hamlin, Mrs. Mayme Kapple, Mrs. Lütie Boehm and Mrs. Georgia Avery were luncheon guests of Mrs. Cora Hamlin last Thursday afternoon and enjoyed the afternoon of sewing and fellowship.

The summer schedule of two services at the Community Church ended last Sunday and from now on only the 11 a. m. service will be held each Sunday. Church school will also open again after a vacation of three weeks.

Mr. and Mrs. C. N. Dunbar and Stanley left Wednesday for Akron, Ohio, to visit their son and family and will enjoy a fishing trip on his cabin cruiser on Lake Erie.

Mr. and Mrs. Lester Hamlin drove to Peru, Ill., on Monday, and Bob will resume his studies at St. Bede's academy for his senior year. James Hamlin, son of Mr. and Mrs. Clayton Hamlin has enrolled at Marquette University at Milwaukee for an engineering course.

Miss Beverly DeWaters will enter MacMurray college for her second year after a pleasant vacation with her parents, Mr. and Mrs. James DeWaters at Venetian Village.

Mrs. Cecille Blumenschein visited Mrs. Vera Phillippi in Waukegan on Tuesday last week.

Major Wesley Blumenschein of the U. S. Marines, his wife and two children of Quantico, Va., Mr. and Mrs. Gordon Blumenschein and children, also Mr. and Mrs. Kenneth Blumenschein enjoyed a family reunion with their parents, Mr. and Mrs. Clarence Blumenschein at their home on Burnett ave. last week Monday evening, and also celebrated the 42nd wedding anniversary of Mr. and Mrs. Clarence Blumenschein. Wesley has been associated with the Marines for some time.

Mr. and Mrs. James Ward, nee Janet Bunkelman, of Fond du Lac, Wis., spent a few days last week with Mrs. Ward's parents, Mr. and Mrs. Lester Bunkelman and family.

Mr. and Mrs. Edwin Krook and Mary Kay of Grand Rapids, Mich., spent the holiday week end with Mrs. Krook's parents, Mr. and Mrs. Albert Kapple on Cedar ave.

Mr. and Mrs. Joe Nader, Sr., Mrs. Doris Britton, Mr. and Mrs. Earl Hucker went to Chetek, Wis., to spend the Labor Day holidays.

Warrant Officer Roy Nader of the U. S. Army, now stationed in South Carolina and only recently returned from duty overseas, is visiting his mother, Mrs. Anna Nader and other relatives, and went to Chippewa Falls, Wis., to spend the week end holiday with his sisters, Mrs. William Schneider and Mrs. Almuist and families there. His mother, Mrs. Anna Nader and his niece Linda Peterson accompanied him and his wife.

Mrs. Millard Schneider has returned from Victory Memorial hospital where he spent most of last week.

## HICKORY

Mrs. and Mrs. Oscar Finkel and son, Gordon, saw the Powerama Show at Soldiers Field in Chicago on Wednesday. Mrs. Sarah Finkel of Chicago returned home with them and visited over the week end.

The Glen Nettles family of Rte. 45 moved last week to their new residence, the former Art McGreal farm home on State Line road.

Mr. and Mrs. William Hallada and children Vaughn and Harriet of Port Washington, Wis., spent the week end at the H. A. Tillotson home.

Sunday dinner guests at the Will Thompson home were Mr. and Mrs. Wilbur Hunter, also Lt. and Mrs. Russell Hunter and 3 children, James, Joyce and John. Afternoon callers were Mrs. H. A. Tillotson and the Wm. Hallada family.

Mr. and Mrs. Roy Kufalk of Antioch visited the Curtis Wells family Tuesday evening.

Mrs. Grace Turnock of Kenosha was a Friday afternoon caller at the Emmet King home.

Spencer Wells of Trevor visited the Curtis Wells home on Thursday.

Mr. and Mrs. Joy Sick and Mr. and Mrs. Raymond Wells of Waukegan were Labor Day afternoon callers at the Earle Crawford home.

The Hickory Mothers club will hold its first meeting of the year at the school house on Tuesday evening, Sept. 13 at 8 o'clock. Hostesses are Mrs. C. F. Spiering and Mrs. Dorothy Van Patten.

Mr. and Mrs. Fred Leable accompanied Mr. and Mrs. George McNeil of Kenosha to the Mitchell Airfield at South Milwaukee on Saturday evening, where they met Mrs. Blanche Alverson and nephew Terry McNeil who were returning home from a two weeks visit in New Bern, N. C.

Mrs. D. Van Patten entertained the girls of her Sunday School class from Kenosha at lunch at her home on Thursday.

The Misses Anne, Jane and Evelyn Hanna of Waukegan, also Mrs. Clara Effinger of Waukegan were Sunday afternoon visitors at the Will Welch home. Evening visit-

ors were Mr. and Mrs. Warren Sivas, also of Waukegan.

Mrs. Curtis Wells and daughter, Mrs. Andrew Magiera attended the funeral of a friend, Mr. Harrie Hager, held at Elgin on Wednesday.

Mr. and Mrs. Frank Faram and Wm. Richards drove to Armstrong, Iowa and visited the Louie Lingard family over the Labor Day week end.

Mr. and Mrs. J. C. Peterson of Wauconda were Sunday afternoon visitors and supper guests at the Earle Crawford home. Mrs. Peter-

son is an old friend of Mrs. Caroline Marble.

Mr. and Mrs. George Handley of rural Kenosha visited the Hunter and Van Patten families Labor Day.

Sunday afternoon callers at the Curtis Wells home were Mrs. Bess Dunn and Mrs. Ella Ingals also Mr. and Mrs. Harold Butler and children of Waukegan and Mr. and Mrs. Warren Wells and son of Gurnee.

Mr. and Mrs. Lloyd Leable returned home from their Alaskan trip last week.

## Arranged for Modern Living

**SMART YOUNG HOMEMAKER.** During the day she spends much of her time in the kitchen. A telephone is right there to save her time and steps, help keep her fresh and relaxed. Why don't you enjoy "modern living" convenience too! An extension telephone in your kitchen will cost only about 3¢ a day. For more information, please call or stop in at your local Telephone Business Office. Illinois Bell Telephone Company.

# SOCIETY EVENTS

## Knights of Columbus Installed Officers for Second Year Tuesday

St. Peter of Antioch Council Knights of Columbus No. 3800 entered its second year of organization on Tuesday of this week by installation of 1955-56 officers. The council was chartered as of March 21, 1954 and at present date has a membership of 65.

Walter T. Farrell is the retiring Grand Knight.

Nicol D. Lambers, District Deputy, Libertyville and Dr. William Neirman, District Warden, Libertyville, installed the following officers:

Francis H. Mitchell, grand knight; Walter W. Delaney, deputy grand knight; John L. Horan, chancellor; Fr. Alfred J. Henderson, chaplain; William B. Bosworth, recording secretary; Robert H. Berg, financial secretary; Irving W. Carey, treasurer; Melvin A. Umenhofen, lecturer; Joseph J. McGrath, advocate; Jack Heiligenthal, warden; William R. Vos, inside guard; Ralph Stollenwerk, outside guard; Walter T. Farrell, Edmund Vos and Edwin J. Sletten, trustees.

For the fall season the council is making plans for its annual dance to be held in the Antioch American Legion Home, Saturday, Nov. 19.

The Council meets the first and third Tuesdays of each month.

## Three Initiated Into Women of the Moose

Three new members were initiated into the Antioch chapter of Women of the Moose last Thursday. Joanna Peters was sponsored by Jane Meyers, Helen Bawn was sponsored by Georgia Nelson and Emilie Kanovski by Rose Kennedy.

Stuart MacDonald, associated with the Waukegan News-Sun was the guest speaker for the publicity committee's Chapter Night. He gave an interesting talk on views, publication and circulation of newspapers in and around the county.

The friendship committee received word that Peggy Franks was in the hospital. The ladies were served sandwiches and coffee by the publicity committee.

## GAVIN P. T. A. TO HOLD OPENING MEETING SEPT. 13

Gavin School Parent-Teachers Association will hold its opening meeting of the 1955-56 season Sept. 13 at 8 o'clock at the school. The theme of the meeting will be "Let's Get Acquainted."

Introduction of the faculty and P. T. A. officers and the different chairmen will highlight the program followed by a visiting period. Refreshments will be served by the eighth grade mothers. All parents are urged to be present.

## LAKE VILLA ALTAR AND ROSARY SOCIETY TO MEET FRIDAY

The newly organized Altar and Rosary Society of the new Catholic church of Lake Villa will hold its first meeting at 8 p. m. Friday, Sept. 9, at the Lake Villa Fire House at 8 p. m.

## Boy Scout Troop 86 Meets

The Boy Scouts of America, Troop 86, of Channel Lake held its first meeting of the season, on Wednesday night, at 7 p. m.

The local troop has added to and vastly improved its staff and program. The 1955-56 Scout year at Channel Lake promises to be exciting and eventful for all who participate.

Donald Cramer, teacher of mathematics at Antioch Township High School, received his master of science degree this summer at the University of Illinois. At the close of the summer session, he and Mrs. Cramer vacationed at Silver Springs and Ormond, Fla.

Hubert Fox, seaman apprentice, USN, son of Mr. and Mrs. Hubert P. Fox of Antioch, and husband of the former Miss Frances V. Kenimer of Wadsworth, is scheduled to return here Sept. 23 aboard the attack aircraft carrier USS Oriskany.

## SALEM

Mr. and Mrs. David Elfers spent Sunday evening with Mr. and Mrs. Earl Elfers and family at Rock Lake.

Mr. and Mrs. Byron Patrick spent Sunday afternoon with Mr. and Mrs. Lanny Fredson of Camp Lake.

Mr. and Mrs. Billie Dix and family are enjoying a vacation in northern Wisconsin and Michigan.

The Rev. and Mrs. Robert Smith are the parents of a daughter, Patricia Lynn, born Aug. 25 at the Racine hospital.

Mr. and Mrs. E. H. Hartnell entertained relatives from New Jersey the past week.

Mr. and Mrs. E. H. Hartnell, Mr. and Mrs. George Biemer and Mrs. Effie Hartnell were dinner guests on Sunday of Mr. and Mrs. Andrew Pennema of Kenosha, the occasion being Mrs. Pennema's birthday.

Mr. and Mrs. Rafferty of Rockford spent the week end with Mr. and Mrs. Byron Patrick.

Miss Nancy Evans has returned to Whitewater to resume her studies there.

Mrs. Charlotte Bloss spent the week end with Mr. and Mrs. Harold McSweeney of Delavan.

Lewis R. Jarnigo

Private Lewis R. Jarnigo of Antioch, recently completed the Wheel Vehicle Repair course at the Ordnance Automotive school at Atlanta General Depot, Atlanta, Ga. Pvt. Jarnigo, who is the son of Mrs. Emma M. Jarnigo, 581 N. Main st., Antioch, is one of the more than 70,000 men from all over the world who have been trained at the school since its inception in 1941.

## Home Bureau Units to Study Clothing Design, Selection This Year

Home Bureau women in Lake county have scheduled three lessons on clothing design and selection for the months ahead. Their primary interest is in planning wardrobes that meet their needs and that are becoming in line and fabric.

On August 26, local leaders from every Home Bureau unit in the county met with Miss Fern Carl, clothing specialist, University of Illinois, and studied clothes for the homemakers' job. The lesson included information on garment designs that promote comfort through freedom of movement as the wearer works as easy reaching, stretching and stooping. Emphasis was placed on clothes that are becoming, safe, efficient and easy to care for.

A minor lesson on "Mending Woollens" was also given by Miss Carl. The local leaders who attended this training school will give the lessons at either their September or October unit meetings.

The second lesson in the series on fabric design will be given by Mrs. Helen Volk, home adviser, at September and October Home Bureau unit meetings. Fabric designs will be considered in relation to the wearer as well as to the line and design of the garment. Attention will be given to fabric textures for they can make the difference between a becoming and an unbecoming garment.

Study Dress for Occasion "Dressing for the Occasion" is the subject for study at District meetings in November. It is possible to be appropriately dressed for every occasion and without an extensive wardrobe. The same garment can be worn for a number of different occasions provided good taste and good judgment are used in its selection. Garments for street wear, recreation, travel, public appearance, church and special occasions will be studied.

The women plan to cooperate with fabric and ready-to-wear stores in the county in making selections to illustrate these lessons. Scheduled lesson, leaders, hostesses and the places of meetings included:

A meeting Tuesday at the home of Mrs. Arthur Willerton at Wadsworth with Mrs. A. L. Schmidt and Mrs. Alvin Ringe as local leaders. The subject was "Clothes for the Homemaker's Job," and "Mending Woollens."

A meeting on Sept. 28 of the Antioch unit at the home of Mrs. Clark Kohler at 1:30 p. m. The home adviser will discuss "Becoming Fabric Design."

Also, Sept. 16 of the Millburn unit at the home of Mrs. Charles Lucas, 1:30 p. m., and the Lake Region unit at 8 p. m. Sept. 21 at the home of Mrs. Clarence Gibbons, Antioch. The same subject will be used by the home adviser, Mrs. Helen Volk.

Open House at Venetian Manor Open house will be held at Venetian Manor, a home for retired and convalescent persons, from 2 to 6 p. m. Sunday. The public is invited to inspect the home which is on Grand ave., at Venetian Village with an address of R. F. D. Box 47, Lake Villa and a telephone number of EL 6-7211. Helen Wallack is in charge.

Fellers Subdivision Elects Fellers Subdivision has elected as its association officers for the coming year, Charles Iffland, president; Ray Eddy, vice president; Mrs. Oscar Perry, secretary; and Elmer Zetec, treasurer. Zetec is the only officer held over from last year. The election was held last Sunday.

Miss Garnet Seyfarth, daughter of Atty. and Mrs. Richard Seyfarth and Miss Mitzi Wolf, daughter of Mr. and Mrs. Herman Sterbenz have entered St. Theresa school of nursing at Waukegan.

## ATTEND STATE CONVENTION AT SPRINGFIELD

Mr. and Mrs. Edward Jahneke represented Antioch at the American Legion Convention held at Springfield last week. Mr. Jahneke holds the office of assistant state sergeant-at-arms. Representing the Antioch American Legion Auxiliary with Mrs. Jahneke were the Auxiliary president, Mrs. Pearl Anderson and Mrs. Lucy Himens. Al Swenson, a past commander of the Antioch Legion post also attended the convention.

## MR. AND MRS. DITTMAN ENTERTAIN H. S. FACULTY

Principal and Mrs. A. L. Dittman and assistant principal and Mrs. E. W. Edwards held open house at the Dittman home at Loon Lake for the Antioch Township High School teaching staff from 3 to 5 Sunday.

## W. S. C. S. ENTERTAIN AT WEDNESDAY MEETING

The Woman's Society of Christian Service of the Methodist church held an interesting meeting Wednesday evening at Wesley hall. Members of the evening circle were guests and Mrs. Robert Irish, a member of the evening group led the devotions. District officers of the northern district had charge of the program. Mrs. D. N. Deering and her committee served the refreshments.

## 4-H HOME ECONOMICS CO. COMMITTEE TO MEET

The 4-H County Committee will meet Friday, Sept. 9, at 9:30 a. m. at the Home Bureau office in Libertyville, to select Outstanding Club members. These records will be sent to the University of Illinois where Lake County's Outstanding Club members' records will compete with those from other Illinois counties for State awards. The members of the County 4-H Home Economics committee are as follows: Mrs. Roy Fleming, chairman, Mrs. Clarence Naffziger, Mrs. Warren Chard, Mrs. John Vondracek.

## Annual Luncheon, Card Party of Altar-Rosary

The annual luncheon and card party of the Altar and Rosary society of St. Peter's church will be held at Smart's Country House at 12:30 p. m. Monday. Mrs. Rudy Eckert, membership chairman, will be in charge and will have Mrs. J. E. Hanna of Lake Villa and Mrs. E. B. LaPlante of Beach Grove rd. as her assistants. Reservations may be made any time up to and including Saturday. The luncheon will take the place of the regular meeting.

## California Elects Officers

Mrs. Helen Bassett was elected president of the California Subdivision at the annual meeting held last Sunday at the Dortmund Inn. Other officers are Mrs. Walter Cebelin, secretary; Charles Wysoglad and W. B. Gillum are treasurer and sergeant-at-arms.

## C. of C. Meeting Monday

An executive meeting of directors of the Antioch Chamber of Commerce will be held this week in preparing the agenda for next Monday's regular meeting at Smart's Country House, according to O. I. Onstad, secretary. Offstreet parking is a matter of current concern.

Robert and William Wilton, sons of Mr. and Mrs. Robert J. Wilton went to Peoria Tuesday to enroll at Bradley University. Robert is beginning his senior year at the university where he is majoring in business administration. He will serve as proctor at the men's dormitory during the coming year. William, who has been awarded a scholarship will be entering as a freshman.

Howard E. and Walter H. Shepard, sons of Mr. and Mrs. H. E. Shepard of Antioch left Wednesday for Rolla, Missouri, where Howard is a junior and Walter a sophomore at Missouri School of Mines and Metallurgy, the Engineering school of the Missouri University. Both are majoring in mechanical engineering.

William Knourek, Jr., son of Mr. and Mrs. William Knourek of Channel lake, has enrolled as a freshman at Bradley University. He went to Peoria Tuesday to matriculate.

John G. Skalak and children, Raymond and Jeanette, spent the week end with relatives at Washburn, Wis., and Duluth, Minn.

Miss Vicia Joyce of Chicago spent the week end holidays at the Robert J. Wilton home on Victoria st.

Mrs. Frank Fay of Grass Lake was hostess to twenty of her friends in honor of her birthday anniversary Sunday.

The Rev. and Mrs. Howard Benson returned home recently after a three week vacation spent in New York, Vermont, Maine and New Jersey.

Mr. and Mrs. Elmer Rentner and family returned home Friday after a vacation spent at their cottage in northern Wisconsin.

Mr. and Mrs. Clarence Olson and family returned home recently after a vacation with relatives and friends in Ludington, Mich.

## Woman's Club President Announces Invitations Ere Club Year Begins

Mrs. Clarence Spiering, president of the Antioch Woman's Club, has released details of invitations she has received for events which will take place before the official club year begins on Monday, Oct. 3 so that interested club members may also accept them and attend with her. They are as follows:

The Young Woman's League will observe Tenth District Reciprocity Day at the annual membership tea beginning at 2:30 p. m. Sunday, Sept. 11 at the Glen Flora Country Club. There will be a style show and a special anniversary program.

From Wilmot, Wis., comes the invitation of the Kettle Moraine Woman's Club to attend its fifth anniversary dinner to be held at 6 p. m. CST, Monday, Sept. 12 at the Hunter Golf club at Richmond. Reservations must be made by Thursday, Sept. 8.

Lake Zurich Community Woman's club will observe Past Presidents' Day at the Farman Hotel with a 1 p. m. dessert luncheon to follow a board meeting scheduled a half hour earlier on Friday, Sept. 16. Lois Etzold will speak on "The Magic of Charm" at the 2 p. m. meeting. Reservations must be received by Sept. 14.

Reciprocity Day will be held at 1:30 p. m. Monday, Sept. 19 by the Rogers Park Woman's Club at 7079 N. Ashland Ave. in Chicago. John and Kane "Sweethearts of Song" will provide the program. There will be tea and replies are requested to the invitation.

Downey Veterans Hospital will be the scene of the Illinois Federation of Women's Clubs workshop on Thursday, Sept. 22. Coffee will be served at 10:15 to begin the day's events. Those who can be present are asked to reply.

The Tenth District of the Illinois Federation of Women's Clubs will be hostess to the Northern Regional Conference at the Women's Club of Evanston on Sept. 26 with registration beginning at 9:30 a. m. and adjournment at 3 p. m. Luncheon reservations are due by Sept. 19.

Those planning to attend the events should let Mrs. Spiering know of their plans a few days before the reservation date given so that she may have time to make the arrangements.

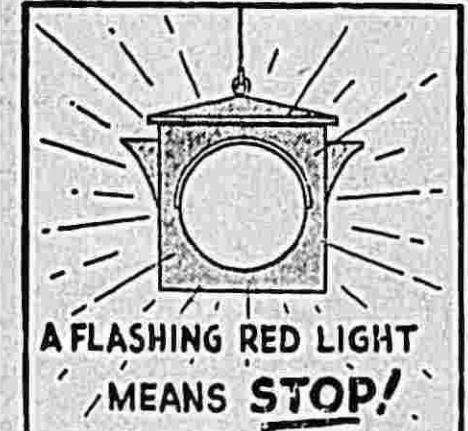

Mrs. O. I. Onstad sent a note to the recent board meeting of the club at the president's home in which she invited all interested members of the club to attend a meeting at her home at 1:30 p. m. Oct. 10 at which time she hopes to organize a Garden Section. Mrs. Onstad is garden chairman for the club.

At the meeting it was announced that Mrs. W. C. Petty had accepted an appointment to become the club's parliamentarian.

## Tips on Traffic Safety

By  
CHARLES F. CARPENTIER  
Secretary of State

Quite often, motorists inquire about regulations regarding flashing red and yellow traffic signals. When a driver approaching an intersection or a crosswalk between intersections is faced by a blinking or flashing red light the motorist must come to a complete stop and yield the right-of-way to pedestrians. (Sec. 33, Uniform Act Regulating Traffic.) When approaching a flashing yellow light the motorist must reduce to a low speed and then cross the intersection

with caution, yielding the right-of-way to pedestrians. (Sec. 33, Uniform Act Regulating Traffic.)

In the case of a flashing red light the motorist must stop his vehicle before entering the nearest crosswalk, or at the point indicated by a clearly visible line or marking on the pavement. In the event there is no marking, the stop must be made even with the traffic signal, or at a point nearest the intersection roadway where there is a clear view of approaching traffic.

The motorist approaching a flashing yellow light at an intersection which has a flashing red light for traffic traveling in a perpendicular direction should be particularly cautious at night as some motorists—in violation of the law—merely reduce their speed when facing these lights and proceed to "jump" the light without making a complete stop.

A copy of the completely new "Rules of the Road" booklet will be sent to you free upon request. Write to CHARLES F. CARPENTIER, Secretary of State, Springfield, Illinois.

## High School Cafeteria Opened Yesterday With Three Lunch Periods

The Antioch High School cafeteria started operation for the 1955-56 school year on Wednesday, September 7. Three half hour lunch periods have been scheduled with approximately 175 students lunch schedule is as follows:

First lunch period 11:46-12:16  
Second lunch period 12:20-12:50  
Third lunch period 12:50-1:20

Students may purchase the hot lunch for 35c or bring their own lunch from home. Students are allowed, if they wish, to supplement their lunch from home by purchasing milk, ice cream, or dessert. However, all pupils are required to eat at school. Students are not allowed to leave the campus during the noon hour.

The G. A. A. will again sponsor noon hour recreation for those students who wish to participate. Noon hour recreation consists of volley ball, shuffleboard, ping pong, social dancing and various table games.

All of the menus served in the cafeteria must meet the requirements of the State of Illinois Hot Lunch program. A balanced food program is always served. The menus for the first three days of operation are:

Wednesday: Barbecue, green beans, potato chips, applesauce, ice cream cup.

Thursday: Meat loaf, mashed potatoes, peas, fruit jello salad, devils food cake.

Friday: Macaroni and cheese, spinach, apple and celery salad, peach pie.

Mrs. Veva Buchholz, Home Economics instructor, will again plan the menus. Mrs. Eva Gaylord will serve as head cook, with Mrs. Alma Beager and Mrs. Robert Cary as assistant cooks.

Three Car Collision Sunday Cars were badly damaged but no one hurt at 1 p. m. Sunday in a three-car collision in the 400 block on Lake st.

The record of Police Chief Walter Scott shows that the car of William J. Holt of R. F. D. 3, Rte. 173 Antioch crashed into the rear of the car of Peter J. Pecora, Milwaukee, Wis., which in turn, struck the rear of the car of Ernest J. Pashon of Marengo, Ill.

The two front cars going east stopped for another car in front of them which stopped and then drove away undamaged before police arrived. Why the first car stopped is not known because there is no stop sign there, but it may have been for persons crossing the street on their way home from church.

Named Fillweber Court  
A dead-end street extending east off Spafford st. south of Lake st. has been named Fillweber ct. by a vote of the village board. The name honors a nearby property owner.

The Antioch Fire department extinguished a grass fire Monday in the Otis subdivision between Petite and Fox lakes.

## Egypt's Women Making Progress Says Journalist

NEW YORK — Times have changed in the new republic on the Nile, says Egypt's well-known journalist, Mme. Amina el-Said. In 1930, the first group of girls were admitted to an Egyptian University. Today there are 1,000,000 girls attending Egyptian schools.

Mme. el-Said disclosed that while the Egyptian feminist movement originated a long time ago, it had become more coherent and articulate during Egypt's 1919 revolution. In that revolt, she said, women played their part in the underground and used their veils to conceal supplies needed in organizing the Egyptian boycott of British goods.

The feminist movement was begun as a drive, not only for the political emancipation of women, but also for their education which would raise their standards of living and further improve their lot.

The result exceeded expectations, she says. Today women comprise 40 per cent of the personnel of Egypt's Ministry of Education, 30 per cent in its Ministry of Health and 20 per cent in Social Affairs.

Mme. el-Said described the work of Egypt's 150 women's organizations and said what has been accomplished so far represents only a "drop in the bucket" in comparison with the changes that must be made.

## Type Face Affects Reading Ability

NEW YORK — It's generally conceded that the type and arrangement of reading matter have a decided effect upon the ease with which it can be read. Different authorities vary in their statements on the subject, but here are some conclusions from a recent study.

Type face is a factor in speed of reading. The same copy set in 10-point Garamond, Scotch Roman, Antique, Bodoni, Old Style, Caslon, Kabel Light, Cheltenham, Typewriter, and Clolster Black was found to bring a progressively slower rate of speed, in that order.

Italics are 2.7 per cent more difficult to read than roman type. Capitals are 11.8 per cent harder to read than lower-case type and in headings, lower-case letters get more attention.

Bold face and regular type can be read with practically the same speed, but people seem to prefer regular.

On the average page, type takes up only half of the total area. Marginal space could be done away with, since it doesn't affect reading speed—but it does improve appearance.

## Gettysburg Gets Back in Spotlight

WASHINGTON — Gettysburg, a southern Pennsylvania town where big news was once made, is getting back into the spotlight.

On July 1, 2 and 3, 1863, General Robert E. Lee's Army of Northern Virginia and General Gordon Meade's Army of the Potomac fought one of history's decisive battles there.

Four months later President Lincoln uttered "A few appropriate remarks" at a battlefield cemetery there which the world has noted and remembered ever since.

Now a president who is also a general is again bringing the nation's attention to Gettysburg by converting a century-old farmhouse into a modern country home only a short distance from the battlefield and 65 miles from the White House. More and more, President Eisenhower is turning to this estate to find privacy and peace.

## Judge Sentences Man To Church For Year

COLUMBIA, S. C. — A man who flourished a hand grenade when Richland County deputies went to arrest him has been put under a peace bond with the stipulation that he attend church or Sunday school each Sunday with his family for a year.

Magistrate Cal Lawlor sentenced him to serve five days or pay a \$5 fine. The man's wife is to report each Monday whether he went to church the previous day.

There is also a suspended sentence of 30 days in jail or a \$100 fine.

## Fried Fish Special

NEW YORK — Fried — rather than fresh — fish was the order on New York's lower East Side when a spectacular fire swept through the Fulton fish market.

An unused pier and a number of occupied fish stalls were destroyed.

Ninety firemen fought the blaze in hot, humid weather for an hour ringling it under control. No one was injured.

## ANTIOCH KNIGHTS OF COLUMBUS INSTALL OFFICERS

Installation of officers of the Antioch Council Knights of Columbus saw Francis H. Mitchell, left, placed in office as grand knight by Nicol D. Lambert (second left) Libertyville, district deputy. Others, left to right, are Walter T. Farrell, past grand knight; Dr. William Neirman, Libertyville, district warden, who assisted in the installation; and the Rev. Alfred J. Henderson, chaplain.

## Ignorance Serves Communism

"If we are to remain strong the American people must understand and appreciate the benefits which our competitive private enterprise system brings them," said G. Keith Funston, president of the New York Stock Exchange, a short time ago. "If our people are to see through the false propaganda directed against private enterprise they must have a better understanding of just how that system works."

Then Mr. Funston dealt with misconceptions with which he, by nature of his position, is particularly familiar. He continued, "It is no news... that Wall Street for years has been the number one whipping boy for communist and fellow-traveler propaganda. And the factor which encourages this left-wing effort is the widespread lack of information among Americans as to the important role which the securities industry plays in our economy. Graphic evidence of this is provided by a public survey. Only 23 per cent of our people can accurately describe what common stock is. A mere 24 per cent know what the job of the New York Stock Exchange really is. Only 39 per cent are prepared to say that the Exchange does not itself own the shares which are bought there by the public. In other words, only a minor fraction of our people know that our Exchange serves as the auction marketplace where under conditions of full disclosure and high ethical standards all Americans can freely buy or sell corporate shares to other Americans."

Ignorance of this kind—and it extends to many areas of our economic life—plays into the devious hands and minds of the communists and all those who would destroy our freedoms. Every effort must be given to letting light into the darkness.

## LEGAL NOTICE

To Whom It May Concern: Hereafter, I shall not be responsible for any debts except those incurred or contracted by myself. Sept. 8, 1955.

Kenneth Buchta

## Village Trustees Balk at Paying Bill for Relaying Drain Tile When Price Is Upped

Usually payment of bills is a routine matter for the village board but there was one bill to the village that was rejected by the trustees Tuesday evening.

The bill was for \$475 and was submitted by Don Trotti of Zion for relocating a drain tile on the Herman property leading to Sequit creek.

Mayor James McMillen and Trustee Arthur Hawkins explained that last Sunday they were called to the Herman subdivision by word that Trotti, while excavating for a basement, cut into a drainage tile and the water commenced to fill the excavation.

The village officials realized that the old drainage tile would have to

be relaid along the street that now passes through the area, accepted an offer from Trotti to relay the drain at a cost of \$75, if the tile were provided by the village. This McMillen and Hawkins agreed to do, knowing that the board would readily consent to this emergency measure.

But when Trotti submitted the bill, it was for the \$75 plus \$350 more for digging and filling the trench. He placed the distance at 500 feet but used only 420 feet of tile, according to the trustees.

The clerk was instructed to notify Trotti that the bill will be paid when it is amended to the agreed price.

Be alert, drive carefully is the plea to all motorists from Chas. M. Hayes, Chicago Motor Club president, and 12 year-old patrol boy Dick Norberg, as more than one million Illinois and Indiana school children prepare to go back to school in September. Helping motorists guard youngsters will be 55,000 school safety patrol members from 2,248 elementary schools in the Motor Club's Illinois and Indiana territory. Only one fatality was recorded last year in over 792,500,000 patrol guarded street crossings!

Let us Track Down your Motor Trouble!

LUBRICATION IS THE LIFE-LINE OF YOUR CAR!

Correct lubrication is the most important service needed to keep your car running well. Let our mechanics give it a thorough lubrication today!

## Lake Villa School Treas. Makes Report, Resigns

After going through the tedious task of itemizing every school fund transaction for publication as now required by a new law, E. K. Hart, Lake Villa School treasurer, tendered his resignation. Hart's resignation caused some discussion that volume of work entailed in the preparation of such reports might cause a mass resignation of school treasurers in Illinois.

Hart's report was made on five closely type pages, and listed persons or firms to whom the school district made payments.

## Sox Win Little League Championship for 1955

The Antioch Little League closed its summer baseball schedule Sunday with standings as follows:

|         |    |    |      |
|---------|----|----|------|
| Sox     | 16 | 3  | .842 |
| Cubs    | 15 | 5  | .750 |
| Dodgers | 13 | 7  | .650 |
| Tigers  | 9  | 10 | .474 |
| Yanks   | 4  | 15 | .211 |
| Giants  | 1  | 18 | .053 |

Fathers and mothers are asked by the officials to come to the Little League park at 10 a. m. Sunday, bring their paint brushes to paint the refreshment stand, bleachers, dugouts and back fences.

## Have Roses Throughout Your Home

INSTEAD OF BUNCHING YOUR ROSES together in a single vase, try using them in three different arrangements that will spread freshness and charm throughout your home. Roses are widely available and reasonably priced during June. That's why they have been chosen as the flower-of-the-month by the world-wide Florists' Telegraph Delivery Association. Roses are one of the best buys in early summer at your F.T.D. florist, for telegraphing to friends, relatives or business associates, everywhere. Official F.T.D. stylist Allyn Wayne says that one or two dozen roses can be used in the informal oval arrangement (at left) with spiral eucalyptus, and in a tall vase with Chinese evergreen leaves and podocarpus. There are just enough roses left to be used with their own foliage in a pert little arrangement for a low coffee table.

## WILMOT

Mr. and Mrs. Frank Zarnstorff, Sr., Mr. and Mrs. Alfred Oetting, Carol and Linda were Labor Day guests of Mr. and Mrs. Frank Zarnstorff, Jr., Richmond.

Mrs. Paul Ganzlin spent Thursday with Mr. and Mrs. Harold Boulden, Burlington.

Robert Tilton attended the Elkhorn Fair where he is helping Bob Bovee show cattle.

Mr. and Mrs. Roy Haller, Kenosha, spent Sunday with Mr. and Mrs. Cyril Paey.

Rev. and Mrs. R. P. Otto, Stephan and Edna motored to New Ulm, Minn., Monday. Edna enrolled at the Dr. Martin Luther college.

Mr. and Mrs. George Higgins returned home Sunday from a two

weeks vacation at Endeavor, Cambria, Tomah, Chippewa Falls, Minn. and St. Croix Falls. They called on Mr. and Mrs. Earl McKenzie at St. Croix Falls. Mr. McKenzie was a former Ag. teacher at Wilmot High school.

Mr. and Mrs. Alfred Oetting, Carol and Linda, Mr. and Mrs. Frank Zarnstorff, Sr., were Sunday supper guests of Mr. and Mrs. Floyd Zarnstorff, Oak Knoll, in honor of Floyd's birthday.

Mrs. Herman Frank called on Mrs. Edith Cates, Bassett, Wednesday morning.

Mr. and Mrs. Herman Frank spent Thursday evening at the home of Mr. and Mrs. Marcus Wienke, at Bristol.

Mrs. Herman Frank, Mrs. Don Wienke and Lon spent Wednesday afternoon with Mr. and Mrs. Ro-

delle Harms, Genoa City.

Mr. and Mrs. Elmer Rasch and family spent three days with Mr. and Mrs. Kenneth Post, LaPorte, Ind.

R. J. Austin returned Saturday from a two weeks vacation at Eagle River.

Mr. and Mrs. Freddie Mauser and family, Wadsworth, Mr. and Mrs. Elmer Rasch and family, Mrs. L. Sweet, Mr. and Mrs. Joe Sutrick and family, Milwaukee, Mr. and Mrs. Norman Rasch and family spent Labor Day with Mr. and Mrs. Ervin Rasch.

Powdered coal, crushed so fine it will pass through a screen meshed tightly enough to hold water, is widely used in industry to provide heat and power.

Compost litter, when idle for 6 weeks in the poultry house, greatly reduces parasitic trouble, says the Successful Farming magazine. Tests at the Ohio Experiment Station prove that this is especially true with large round-worms and cecal worms.

## ASTONISHING PERFORMANCE!

And that's only half the Chevrolet story

Drive with care... EVERYWHERE!

Great Features back up Chevrolet Performance: Anti-Dive Braking—Ball-Race Steering—Out-rigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices.

A lightning-quick power punch that  
makes your driving safer! That's  
one of the reasons for Chevrolet's  
winning stock car record—but it's  
not the only one. Not by a long shot!

Astonishing performance—the sizzling acceleration of Chevrolet's new "Turbo-Fire V8"—it takes that to win stock car races.

But it takes a lot more besides. Cornering and handling qualities really count on the NASCAR® Short Track circuit where Chevrolet's king—just as they count for safer and more pleasant highway driving. And even the high-priced cars don't slice through a tight turn as neatly—or handle as sweetly—as this beauty. The record proves it!

Come on in and sample all the things that give Chevrolet its winning ways. We're keeping a key ready for you!

\*National Association for Stock Car Auto Racing

## Geneva Longtime Convention City For Entire World

WASHINGTON — Traditionally hospitable to international negotiators, Geneva, Switzerland, has witnessed the fruition of ideas and ideals affecting all mankind.

The International Red Cross was founded in Geneva 91 years ago. In 1920 Geneva became headquarters of the League of Nations. A few years later came the Geneva Protocol on regulating international disputes. A world disarmament conference was held from 1932 to 1934 at the League headquarters.

The city is now the seat of the Economic Commission for Europe, the World Health Organization, the International Telecommunication Union, and the International Committee for European Migration.

The city has so frequently been a conference center that the term "Geneva Convention"—rules for international conduct—is as familiar around the world as "Swiss watch," an important Geneva product.

Geneva visitors delight at the thousands of watches that gleam in shop windows. One company keeps a case history of every watch it has made. Each timepiece is assembled then taken apart and reassembled three times before being oiled. Such painstaking attention to work reflects the Genevise love of precision.

Besides international conventions and watches, Geneva boasts many products: precision tools, electric fittings, sewing machines, gas and electric stoves, pencils and perfumes.

## Happy Secretary Gets Praise With Paycheck

LOS ANGELES—Business men who have trouble keeping a competent secretary should hand out a generous portion of praise with her weekly paycheck.

That's the advice of a former secretary, Dr. Allen R. Russon, now an associate professor of office management and business education at the University of Utah. Dr. Russon says that sincere appreciation from the boss is more important than many other considerations such as salary and working surroundings.

Among reasons secretaries go looking for other jobs are lack of employer appreciation, insufficient

salary, grimy office quarters, inconsistent promotion policies, pettiness about vacations and sick leave, in that order, she says.

Dr. Russon sees no end to the present secretary shortage. "After all," she says "you can't tell a machine to run down to the bank with a late deposit or go shopping for your wife's anniversary present."

## Not Elephants—But Pink Flamingos

LA JOLLA, Cal.—Anybody got a pet flamingo? If so, you might be interested to know you can brighten up your flamingos by feeding them ground-up shellfish in addition to their usual diet of grass pellets, millet, rice and dried flies.

For the past year, two dozen flamingos in the San Diego Zoo have been fed regular doses of the finely ground shell of the California spiny lobster. As a result, the American species have developed striking pink and vermillion tints in the skin of their legs and bills and in new feathers. Their kin, the Chilean flamingos, have also developed bright pink skin on their feet and leg joints, but their feathers remain, as in nature, mostly white.

## Woman Scorned Takes Revenge On Auto

GRAND RAPIDS, Mich.—Police learned the power of a woman scorned, but won't tell her name and her boy friend won't prosecute.

Someone reported a hit-and-run accident. A young woman was lying in the street. Questioning police found out that the woman in question had followed her boy friend, who drove another young woman home in his convertible. While he was saying good night to the other woman, No. 1 picked up rocks and smashed the lights, windows, and instrument panel of his car.

As he drove off, she was pulling on the convertible top and was knocked down, not exactly hit-and-run style.

## Finally Fooled

GENEVA, N. Y.—A fisherman trying his luck on Seneca Lake landed an "oldtimer"—a 17-year-old trout tipping the scales at 22½ pounds.

John Kenyon of Geneva pulled in his line and saw a tag attached to the dorsal of the fish. It was dated October 4, 1945. Records showed the fish, when placed in the lake on that date, was 8 years old and weighed 6 pounds.

Experts estimate the cost of an atomic power plant at around \$250 per kilowatt, or a total cost of \$25,000,000 for a 100,000-kw plant, whereas a conventional power plant that generates electricity from coal can be built at a cost of \$160 per kilowatt, or \$16,000,000 for 100,000 kilowatts.

The Antioch News

Tests by the U. S. D. A. have demonstrated a simple and effective method of hornfly control that is acceptable for dairy cattle, reports Successful Farming. A tablespoonful of 50 per cent methoxychlor powder is sprinkled along the back of an animal and rubbed into the hair. The powder should be spread evenly over the back, neck and shoulders.

The driver's license of John Rupert of Loon Lake has been revoked by the State of Illinois as the result of his arrest for driving while intoxicated.

Remember to keep your headlights clean. The Chicago Motor Club says that a loss of 3 pounds of pressure a week is an indication that you are about to have a flat.
